AUGUST 1st

- 19 He was down just 1 1/2 miles from a large military complex but they aren't suppose to hit targets like that. I think they should. It would sure cut down on our guys getting hit. We stayed til we had to leave with just enough fuel to get
- 19 back to 38. Customer put out barrels of gas for us to see to land fuel. ~~Refueled~~ Refueled and headed home. Long day.
- 19 Everybody real sad about not getting the guy. We sure did try.

Another 104 got it by Hanoi. No chute. Got back to V down at midnight. ROUTE! NORTH 20 MILES FROM CHINA - EAST TO RED RIVER - SOUTH TO AREA 50 MILES

AUGUST 2nd

- 19 DUTY: Fighters went north at dawn but no luck on the guy that went down yesterday. Mailed Tinian ring today.
- 19

AUG. 3rd

- 19 Tried to get North today but weather too bad. Received a letter from civilian Poole, he doesn't know about Perry yet.
- 19 Received "Car package" from Judy. It's fun to dig into one of those.

AUG. 4th

- 9
DOWN BY SAN NGA NOCHUTE
LIAMSON MADE PICK-UP BY 980 F
105 JOCK. GETTING SICK - LIKE FLU?
