SUBJECT: Narrative Report for Mission #1-38-7-14 Sept 1966

TO: 3d ARRGp (RGRC)
APO 96307

At 1015L, 14 Sept 1966 Pedro 97 was airborne on a local training flight with the alert crew. A call was heard on guard channel that a chopper was down about 6 KM west of Phan Rang AB. Pedro 97 immediately headed for the area and established communications with "Chopper 156" who was covering the downed helicopter. A beeper was picked up and aided in guiding Pedro 97. At 1020L an H-13 was located on an island in a river at 11° 38'N and 108° 53'W. The crew of 2 was unhurt and returned to Phan Rang AB. The H-13 pilot reported he had received a hit over the mountains and autorotated into the riverbed.
