Mission Narrative Report (1-3-84, 8Jun67) (U)

3rd AARGp (RGRC)
APO San Francisco 96307

1. (U) This report is submitted in accordance with 3rd AARGp Supplement 1 to ARRSN 55-1, 27 April 1967.
2. (C) At 1800 on 8 June 1967 Jolly Greens 25 and 26 were ordered to RTB from Quang Tri, however as we approached the coast, waterboy informed us of a downed F-4 at 17°39'N and 106°16'E. I informed Queen of my intention to proceed to the area. Since we were in weather and channel 109 was inoperative, we received vectoring from Waterboy to the area, and by 1847L we were on scene. Queen ordered us to orbit until the armor plate A-1s established contact with the downed F-4 crew. No voice contact was ever established and the A-1 aircraft received intense ground fire in the area. At 1905L Queen ordered me to RTB. I descended from 8000' to 1000' and proceeded to channel 37, arriving at 2010L.
