

Det 6 38 ARRS PJ Daily Log
June 1967 - March 1971

11 Oct.

Tecumtel Assumed The alert
0700 all survival gear check
one chain saw, axe and
only have one Bird flying.
F fuel is in phase.

* we had an ARS about 1905 on
army choppers had engine failure and
choppers went in to pick him up and
it had "Trans - Trailer" we picked
up three people the other three
elected to stay with the Downed
man in a Shrike car in
no injuries.
