SUBJECT: Mission Narrative

TO: Commander
39 ARRS

At 0417Z Crown #4 recieved a call on UHF guard (243.0) from Gunfighter Lead who stated that he had just lost his wingman Gunfighter #2. He stated that the aircraft just crashed at the 315/25/69 and he had two good chutes. Crown #4 called Queen and had the Jolly Greens launch out of Quang Tri. Crown #4 contacted rail 30 a O-1 FAC that was in the area and ask if the area was clear. He ~~asked~~ stated that it looked okay. Crown #4 contacted Crikett and ask ~~him~~ if he had any jets he could send to use as RESCAP. Crikett had Chisel Flight of two F-4 contact Crown #4 on SAR UHF primary. Crown #4 had hesel orvit at 8,000 ft over the area incase they might be needed. An Army Black Cat 24 (UH1E) was in the area and call Crown #4 to see if he could help. He stated that he had a medic on board. Crown #4 asked Black Cat if he was right there to make the pick-up. Crown #4 ask Gunfighter Lead if he had Black Cat. He stated that he did. He stated that he would show him where the two pilots were. Gunfighter Lead stated he had two beeper and then he had voice contact with rear pilot. He stated that he was in good condition. Black Cat found both pilots and made the pick-up at 0427Z and returned both pilot to Danang. Both pilots in good condition. Gunfighter RTB to Danang and all SAR Forces were RTB.

This mission narrative is submitted IAW ARRSM 55-1 3rd GP SUPP 55-22
