Mission Narrative 1-3-195

10 Dec 67

At 0640Z Sidewinder 91 called on guard that Sidewinder 90 an F-4C was down. Position was 157/11 of Channel 94. Crown 5 moved from south orbit to the scene. Jolly Green 04 and Pedro were launched from Channel 94. Before Crown 5 and the SAR forces arrived, Minuteman 051 picked up both survivors and took them to Channel 50. Both survivors were in good condition. Helix 17, a army helo, returned the survivors to Channel 94 which was the home base of Sidewinder 90.
