

June 1967 - March 1971

21 Aug (cont)
1640 F-100 ~~landed~~ Landed with his landing gear up
small fire - pilot unhurt. Dropped FSK but
did not use. Fire trucks were quickly on scene.

1705 F-100 Emergency landing - hole in wing
landed O.K.

could be an interesting day.

They came in ~~in~~ threes!!

0100 Rocket Attack ^{122 mm} 3 or 4 hits on
runway. Bomb dump (VNAF) blew up.
Just came out of Tower and saw a fire ball.
Shock wave hit and did more damage
than the rockets. Pedro 716 - had
back cabin ^{sliding} door window blow in. 6 window
blown out in tower. Maintenance ^{back} doors
Twisted out of shape. Maj. Sumnerhill's
coffee cup - emptied! Found piece of
shrapnel - red hot next to chopper.
Ears still ringing!

Rocket (2nd)
attack

0630 Received a few rounds (122 mm)
Hit runway - west end.

I was wrong - It came in groups of four.
P.S. SSgt Reed killed 60 flies - could
be a new record.
