

The survivor is swung onboard, and the helicopter barrels down the rim and around the low-laying hills as Sandys lay in awesome rocket and cannon fire forward, beneath, and ahead of the exiting Jolly. The force streaks back to Udom where it is met with fire trucks, beer, and champagne. When Fisk gets Moran aside, he asks Bookin' Jack how many bad guys he got. "Bad guys?" Jack exclaims in surprise, "I didn't see a goddam thing. I just heard you firin' like hell and thought, 'Screw you if you think you're gonna' get all the fun!'"
