

Rescue men join forces

DA NANG AFLD — Detachment 7, 3d Aerospace Rescue and Recovery Group (ARRG) recently became part of the 37th Aerospace Rescue and Recovery Squadron here in a manpower economy move. The 37th flies the twin-engine HH-53 Super Jolly Green Giant helicopter.

The detachment, flying HH-43 Pedro helicopters, arrived at Da Nang on Oct. 20, 1964, as one of the first two rescue units in the Republic of Vietnam.
