

Sadly I'm passing along the news that Colonel Baylor Haynes passed away 09 June, 2020.

Here's the link to his obituary page. <https://www.tributearchive.com/obituaries/15010540/Baylor-Ray-Haynes>

Baylor is a legend in our Jolly Green and USAF helicopter family. He served with the 38th ARRS on C/HH-3C/E's in the 65-66 time frame.

God rest the soul of Baylor Haynes. God comfort and protect the Haynes family.

Jim Burns posted below that we lost Baylor Haynes the 9th of this month. He was easily a giant. Rest in peace.
