

Motion 02 F-4

Picked one Marine Co-Pilot
I was on high bird, Tsgt
Looper on low. Looper was
hit, they pulled out & we
went in on Bravo. Made the
pickup, but were unable to
locate the Pilot. Went to
Lima site # 32 to pickup the
crew of the first bird. My
FIRST combat flight I broke
my Cherry right off the bat.
We took small arms in the
rear of the bird.

26 August 1972

Lt. Darren Borders

Motion 02 F-4

Picked one Marine Co-Pilot
I was on high bird, Tsgt
Looper on low. Looper was
hit, they pulled out & we
went in on Bravo. Made the
pickup, but were unable to
locate the Pilot. Went to
