

Tops in MAC

TSgt. Randy McComb is the Military Airlift Command's NCO of the Year. The pararescue instructor for the 1550th Technical Training Squadron will go on to represent MAC in the Outstanding Airmen of the Year contest. He holds the Silver Star with one oak leaf cluster, the Distinguished Flying Cross with two

oak leaf clusters, and the Airman's Medal, to name a few. McComb hopes to be named one of the 12 top airmen of the year, but he hates the publicity that goes with such honors. As far as he's concerned, one photo is too much exposure. (USAF photo by SrA. John Clendenin)
