

CITATION TO ACCOMPANY THE AWARD OF
THE AIR MEDAL
(SECOND OAK LEAF CLUSTER)
TO
SERGEANT PETER H. EYRICH

Sergeant Peter H. Eyrich distinguished himself by meritorious achievement while participating in aerial flight as an HH-3E Rescue Specialist in Southeast Asia on 4 December 1967. On that date, Sergeant Eyrich entered an extremely hostile, mountainous area under adverse weather conditions and was instrumental in the rescue of two survivors of a downed aircraft. Enroute to a medical facility, Sergeant Eyrich administered medical aid to the survivors which prevented complications to already critical injuries. The professional skill and airmanship displayed by Sergeant Eyrich reflect great credit upon himself and the United States Air Force.
