

CITATION TO ACCOMPANY THE AWARD OF
THE AIR MEDAL
(FIRST OAK LEAF CLUSTER)
TO
SERGEANT RANDY S. MCCOMB

Sergeant Randy S. McComb distinguished himself by meritorious achievement while participating in aerial flight as an HH-3E Pararescue Specialist in Southeast Asia, on 6 March 1968. On that date, Sergeant McComb participated in the rescue of two Air Force pilots during the hours of darkness. Although hampered by falling flares and thick jungle foliage, Sergeant McComb directed the pilot to a high hover over the downed airmen where they were safely hoisted aboard the rescue helicopter. The professional skill and airmanship displayed by Sergeant McComb reflect great credit upon himself and the United States Air Force.
