

CITATION TO ACCOMPANY THE AWARD OF
THE AIRMAN'S MEDAL

TO

STAFF SERGEANT RANDY S. McCOMB

Staff Sergeant Randy S. McComb distinguished himself by heroism involving voluntary risk of life as a Pararescue Specialist in Southeast Asia on 16 September 1967. On that date, Sergeant McComb descended on a forest penetrator to render assistance to an injured survivor. After unselfishly giving his own protective gear to the downed pilot, Sergeant McComb held him securely on the rescue device as it was being towed through dense jungle foliage, offering the protection of his own body to prevent further injury. The exemplary courage and heroism displayed by Sergeant McComb reflect great credit upon himself and the United States Air Force.
