

CITATION TO ACCOMPANY THE AWARD OF
THE AIRMAN'S MEDAL

TO

TECHNICAL SERGEANT LENOTE M. VIGARE

Technical Sergeant Lenote M. Vigare distinguished himself by heroism involving voluntary risk of life on 3 December 1960 at Anderson Air Force Base, Guam. On that date, despite a broken ankle sustained in a fifteen foot drop from a helicopter, Sergeant Vigare succeeded in rescuing an individual from the bottom of a 400 feet precipice near Anao Point, Guam. The determination, devotion to duty and courage exhibited by Sergeant Vigare reflect great credit upon himself and the United States Air Force.
