

CITATION TO ACCOMPANY THE AWARD OF  
THE AIR FORCE COMMENDATION MEDAL  
(FIRST OAK LEAF CLUSTER)  
TO  
TECHNICAL SERGEANT DANIEL E. GALDE

Technical Sergeant Daniel E Galde distinguished himself by Meritorious Service as a Detachment Pararescue Recovery Technician. Detachment 10, Headquarters Military Airlift Command, Hill Air Force Base, Utah from 1 January 1972 to 10 August 1973. The untiring efforts and determination by Sergeant Galde during this period played a major role in the successful introduction of the HH-1H helicopter into the Air Force inventory.
