

CITATION TO ACCOMPANY THE AWARD OF
THE DISTINGUISHED FLYING CROSS
TO
STAFF SERGEANT DENNIS T. DUFFY

Staff Sergeant Dennis T. Duffy distinguished himself by extraordinary achievement while participating in aerial flight as Pararescue Specialist on an HH-3E helicopter near DaNang Airfield, Republic of Vietnam, on 14 April 1970. On that date, Sergeant Duffy's outstanding airmanship and exemplary knowledge contributed greatly to the rescue of seven downed United States Army aircrewmen. Sergeant Duffy was lowered to the survivors and administered badly needed medical aid and then helped direct the helicopter back over their position to recover the survivors, thereby preventing their capture or death by opposing hostile forces. The professional competence, aerial skill, and devotion to duty displayed by Sergeant Duffy reflect great credit upon himself and the United States Air Force.
