

Det 6, 38ARRSq, hist, Jan - Mar 69

6-13

Mission 6-38-003-28 February 1969 Cont'd

Pedro 77 departed the area and made a survey of the aircraft damage. No serious damage was noted and the pilot asked that the Pararescueman be moved to a secure area for recovery. The patrol advised that the area was secure and Pedro 77 again approached the area and hoisted the Pararescueman aboard. The aircraft was flown to the nearest hospital. Pedro 97 and 77 returned to Bien Hoa Air Base, Republic of Vietnam, and terminated the mission at 1345. Aerospace Rescue and Recovery Service was credited with three non-crewmember, combat saves.
