

The Pararescue Memorial Campaign

Honor Service. Remember Sacrifice. "That Others May Live."

Davis-Monthan AFB, Tucson, Arizona · Dedication Scheduled: May 20, 2027

The Pararescue Memorial is a permanent place at Davis-Monthan AFB where teammates, families, and future generations can pause, reflect, and understand the human legacy of Pararescue service — a bronze Pararescueman at the center of a gathering space, framed by granite pillars honoring our history and those who made the ultimate sacrifice.

\$500 · Personalized Brick Paver

Put Your Name in the Story on Founders Row

Each campaign brick carries your name and service dates, set into the walkway leading to the memorial — a lasting record of service, and a way to help preserve 80 years of Pararescue history and sacrifice. Donors are joining together to fill an approximately 40-foot paver walkway, each name a step closer to the memorial.

Reserve before March 1st, 2027 and your paver will be placed in **Founders Row** — the first section of the walkway, permanently marking our earliest supporters.

ADDITIONAL GIVING LEVELS

Other Ways to Support the Memorial

Beyond the brick paver walkway, the campaign offers named recognition levels for donors who want to make a larger impact. Donors at every level below are permanently recognized by name on the memorial's bronze dedication plaque — a lasting tribute installed at the site for teammates, families, and future generations to read for years to come.

Every gift at these levels also includes a personalized paver in Founders Row

Your name, permanently cast in bronze. Concept rendering of the memorial's donor recognition plaque — final layout and typography to be confirmed with the fabricator.
